

MISSISSAUGA POPS CONCERT BAND has been delighting audiences in Southern Ontario for over three decades. This award-winning musical group has a membership of about 50 performers — amateurs to semi-professionals — whose passion is providing quality concert band music to their listening audience. These concerts have given audiences and band members the chance to share in musical moments with such greats as Peter Appleyard, Johnny Cowell, Bobby Herriot, trombonist Alastair Kay, Dinah Christie, television's Luba Goy, and Canadian composer Howard Cable. The Pops' concert schedule also includes local summer appearances as well as the ever-popular Community Christmas Sing at Eden United Church. The Pops' solid reputation has extended outside its home community with performances across the province and in the USA. Visit the 'Pops' online on their Facebook and Twitter pages and at MississaugaPops.com.

FEATURED GUEST PERFORMERS

Guest vocalist/arranger **WILLIAM A. (BILL) MIGHTON** is a graduate of the University of Toronto Music Program. Mr Mighton has retired from a thirty-year career as a high school music educator where his many extra-curricular ensembles enjoyed much success at regional and national festivals and travelled throughout North America. He also served for 26 years in the Band of The Royal Regiment of Canada, including 16 years as Director of Music performing for dignitaries such as Queen Elizabeth II, Prince Charles, and many other heads of state. Mr Mighton has arranged and composed music for a wide variety of school and professional ensembles and continues to perform as a guest conductor, clinician, trombonist and vocalist.

Guest vocalist/emcee **VICKIE VAN DYKE** has a career history that is both colourful and creative. Armed with an Honours BA in Drama from the University of Waterloo, she performed in summer stock musical theatre before joining a touring pop group. Eventually, she formed her own country rock band, giving her an opportunity to write and record many of her own compositions. Vickie then segued into country radio. She was heard on 820 CHAM-Hamilton for ten years and also pre-recorded a midday pop show for a sister station in London. She hosted her own television variety show (Showdown) while writing for television, radio and newspaper (Country Corner for the Hamilton Spectator). In 2000 she became the midday host at Smooth Jazz WAVE 94.7 (Hamilton) and is now the morning host at www.wave.fm (Wave 94.7 HD2 on your FM dial). Vickie still loves to sing and performs regularly with her jazz trios. She's also been writing – commercials, original songs, and a new cabaret-style musical featuring the music of Rodgers & Hart. Vickie was thrilled to be named the first ever Canadian Smooth Jazz Broadcaster Of The Year in 2005.

The Pops would like to extend a special welcome to **KELLY STRONACH**, an accomplished pianist and music professional who will be performing with Vickie at this afternoon's concert.
